

PRODUCT INFORMATION SHEET

Basic Blue 1Ply Centrefeed PR7301

An economical 1ply, blue 300m centrefeed roll. Made from recycled fibres, the perfect cost effective product for tackling all light duty wiping tasks. The paper pulls from the centre to ensure the sheets remain clean prior to use.

- Rolls are designed with a removable core, which means that the roll can be used with a centrefeed dispenser ensuring good hygiene and functionality.
- Excels at light duty cleaning, wiping and drying tasks.
- Rolls measure 175mm in width and 300m in length.
- Made using quality recycled fibres and is FSC Certified.
- Manufactured in the UK, according to CHSA Soft Tissue Standard.

Quick guide to core removal

Find the perforated spiral line inside the core

Using your thumbs, pull apart either side to tear the core

Reach inside the roll and pull the paper out

This product is manufactured according to CHSA Soft Tissue Standard. Please note PRISTINE reserves the right to alter specifications without notice.

By buying these paper products you help take care of the world's forests
