

# Antiviral Hand Soap

**Moisturising luxury antiviral hand wash that is proven effective against a wide range of bacteria and viruses.**

- Dermatologically tested and enriched with moisturisers to gently and effectively clean your hands and leave them feeling soft.
- Free from artificial colours and fragrances.
- Formulated to be highly effective against a wide range of bacteria and viruses.
- Ideal in environments where high standards of hygiene are essential, such as healthcare, kitchens and food preparation areas.
- Perfume-free, eliminating the risk of tainting foods and making it suitable for use in the food processing area.
- Independently tested and certified to: BS EN 1276:2019, BS EN 1499:2013 and BS EN 14476:2013 + A2:2019 indicating the product is effective against enveloped viruses.
- Available in a 500ml pump bottle and a 5 litre eco-refill, ideal for use in most bulk fill lotion soap dispensers.
