palhygiene

Pal TX Surface Disinfectant Wipes

Description:

Pal TX Surface Disinfectant Wipes have been designed for cleaning and disinfecting within food manufacturing and service environments. For professional use only.

Pal TX Surface Disinfectant wipes are proven to kill microorganisms such as bacteria, yeasts and enveloped viruses.

These wipes have been independently tested to a range of European standards (EN) according to EN 14885: 2015.

Microorganisms	Testing Standard	Contact time
Bactericidal
