

1. Identification of the substance/preparation and of the company/undertaking:
  - 1.1. Substance/Preparation : **EARsoft polyurethane foam ear-plug**
  - 1.2. Company/undertaking identification : Aearo Limited  
First Avenue  
Poynton  
Stockport  
SK12 1FJ  
UK  
  
+44 1625 878 320
  - 1.3. Emergency telephone number : +44 1625 878 320
2. Composition/information on ingredients :  
Not hazardous according to Directive 88/379/EEC
3. Hazards identification :  
Not hazardous according to Directive 67/548/EEC during normal handling and use.
4. First aid measures
  - Skin contact : Normal use of the product does not present a hazard
  - Eye contact : Normal use of the product does not present a hazard  
For small fragments: Irrigate to remove with copious amounts of water.  
Seek medical attention if irritation persists.
  - Inhalation : Normal use of the product does not present a hazard
  - Ingestion : Seek medical attention if discomfort persists.
  - Treatment : Treat symptomatically.
5. Fire-fighting measures :
  - Suitable extinguishing media : Foam, water spray, carbon dioxide, dry powder
  - Special exposure hazards : Produces dense black smoke and toxic gases.  
Use self-contained breathing apparatus when tackling fire.
6. Accidental release measures :
  - Methods for cleaning up : Gather using mechanical means.
7. Handling and storage :
  - 7.1. Handling ; No special handling required in normal use
  - 7.2. Storage : Store in a cool dry area below 35°C in original packaging.
8. Exposure controls/personal protection : No special measures.
9. Physical and Chemical properties :
  - Appearance: Solid foam
  - Colour : Yellow or yellow with red marking
  - Odour : Negligible
  - Flammability >250°C
  - Density :
  - Flash Point : >250°C
  - Thermal decomposition : Carbon monoxide, hydrogen cyanide, hydrogen chloride, nitrous oxides.
  - Water solubility Insoluble
  - Fat solubility Not available
10. Stability and reactivity : Stable and unreactive during normal use
11. Toxicological information : No toxic effects in normal use
12. Ecological information : No ecological problems in normal use
13. Disposal considerations : Dispose of according to local regulation. Product and packaging may be recycled. Unless otherwise specified locally may be treated as household waste
14. Transport information : Not classified as hazardous for road, rail, sea or air transport.
15. Regulatory information : Not subject to specific provisions at Community level

16. Other information :

The product should be used as indicated in the user instructions delivered with it.
